Summary

Hey, My name is Sandeep Sharma. I am a web and mobile interface designer from Ahmedabad, India. I like to design Delightful User-Experiences, Aesthetic User-Interfaces, Creative Mobile Apps and Beautiful looking responsive websites.

Experience

UX/UI Freelance Professional at   Freelance

September 2013 - Present (1 year 9 months)

Freelancing gives tremendous opportunity to grow and work for your own. Especially when you are thinking to start your on business. When you don't have much work you can create your product in a mean time. Win-Win Situation.

Jr. Web Designer at   NicheTech

August 2010 - September 2013 (3 years 2 months)

I have started my professional life from Nichetech. I was working in Nichetech as a Jr. web designer. I have learned various things during my tenure. Basically, my duties in Nichetech were to make User-interfaces of Web, Mobile and Tablet. Directors of Nichetech Mr. Nilesh Shah and Mr. Mahendra Sharma helped my a lot to grow better in both professional and personnel life. They are motivational guru for every employee of Nichetech. That's why company is growing leaps and bounds.

2 people have recommended Sandeep

"Young but very detail oriented with zest to do creative work. Sandeep is very hard working and great follower. Takes all advise very positively and make sure he achieve his goal. Not only professionally, personally he has followed advise and he ran half marathon with me and my partner during his tenure at NicheTech. I am very proud to be his mentor / Guru… Wish him lots of luck in his future."
